

# I Believe I Can Fly

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
I'm learning on the everlasting arms

[Bridge]

If I can see it  
Then I can do it  
If I just believe it  
There's nothing to it

[1st Chorus]

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly  
See I was on the verge of breaking down  
Sometimes silence can seem so loud  
There are miracles in life I must achieve  
But first I know it starts inside of me

(Riff - Oh oh)

[Bridge]

[2nd Chorus]

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running that open door  
I believe I can fly  
I believe I can fly  
Oh I believe I can fly  
Cause I believe in me  
Oh oh oh

[Bridge]

[3rd Chorus]

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running that open door  
I believe I can fly  
If I just spread my wings  
I can fly
