Claude Monet

National Gallery

C. Tissero

A group of approximately 25 people, mostly young adults, are posing for a group photo in front of the Ashmolean Museum. They are arranged in several rows, some standing and some kneeling or sitting in the front. The museum is a classical building with a portico supported by four large columns. Two blue banners hang from the columns, with text that is partially visible and upside down. The scene is framed by the large, gnarled branches of a tree in the foreground. The sky is blue with some clouds.
