The image features a vibrant red background composed of various geometric shapes, including triangles and polygons, creating a mosaic-like effect. The shapes are in different shades of red, from a deep, dark red to a slightly lighter, more saturated red. In the center of the image, the word "Teaching" is written in a bold, white, sans-serif font. The text is centered both horizontally and vertically, standing out prominently against the busy, textured background.

PUBLICAÇÕES CIENTÍFICAS

The background consists of a complex, abstract pattern of overlapping geometric shapes, primarily triangles and quadrilaterals, in various shades of red. The shapes are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be in the foreground and others receding into the background. The overall effect is a rich, textured red field.
